

Have your say on the Childcare Offer for Wales

Tell the Government what you think and help improve early education and childcare across Wales

The Welsh Government wants to hear from parents like you.

Are you receiving free early education and childcare for your 3 or 4 year old child under the new Childcare Offer for Wales? If so, you can share your views with the Government and help make a difference for parents across Wales.

Keep an eye on your inbox and your letter box – you may have received a letter or email from NatCen Social Research asking you to complete a short online questionnaire.

We need to hear from as many families as possible, as everyone's experience is different.
